E	"The list of Johnson stories that have been proven wrong is long, but his greatest hits include . . . [e]rroneously reporting that former Newark mayor Cory Booker didn't actually reside in Newark."				
A.	"...Contributing reporting to the Daily Caller's infamous story about New Jersey Senator Bob Menendez allegedly soliciting prostitutes in the Dominican Republic. The story turned out to be a complete fabrication, and may have been planted by the Cuban government." D	"Hilariously, he graduated being best known for pooping on the (I think I'm remembering the floor right) 7th floor of Stark (a dorm). I'm sad this idiot is getting any attention at all, but I hope this guy becomes famous for the same reasons he was in college, his public pooping problems"	December 15 Trotter Article	Ex. 13	12/15/2014	http://gawker.com/which-of-these-disgusting-chuck-johnson-rumors-are-true-1669433099
E	"I started two years after him, so I wasn't there since he did it as a freshman or sophomore. But the upperclassman talked about it regularly and it was an undisputed fact that he did it. Multiple people talked about it in great detail [confirmed by another commenter] on the school's paper/website the cmcforum.com and I bet many instances of people talking about it can be seen in the comment archives from 2008-2011." H	"A friend is in the San Bernadino County Sherriff Dept. As I heard it, Chuck was about 14, had gone to stay with his cousins [for] a few weeks. . . He went for a weekend with one to a friend of the cousin's who owned a ranch near Wrightwood. The father of the friend got suspicious when they caught him coming back inside very late the first night. The next night, he apparently wandered back out & got the cops called on him by a neighbor when he was spotted attempting to copulate with his wool sheep. The neighbor took pics with a telephoto lens, which, since the cops didn't catch him mid-act, were used as the basis for his conviction. He was pants down pinning the sheep against the fence. The story is still famous in circles of San Bernadino County law enforcement, apparently. He got it expunged in 2007, saying he was just a kid experimenting, and he didn't want it to reflect badly when he was in college working for collegiate newspapers. My friend won't give interviews, because he'd get in trouble for leaking expunged records, but it definitely happened, and word is that the files & pics still exist. Hope that helps!!" N.	Verdict: There is no evidence that Chuck Johnson took a shit on the floor in college. Chuck Johnson was, however, so thoroughly disliked in college that his classmates chose to blame an unattributed shit on him. P.	Verdict: There is no evidence that Chuck Johnson was arrested in 2002 for pinning a sheep to a fence and fucking it. Johnson is, however, the kind of guy about whom random people make up and circulate rumors about him being arrested in 2002 for pinning a sheep to a fence and fucking it. Q.	A search through public records and the archives of local newspapers did not turn up any mention of an arrest matching the one our source described. (This does not necessarily mean that the arrest didn't occur, though; editors don't necessarily publish all incidents involving the police, and public records databases would not contain an expunged record.)
